DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The IDS filed March 27, 2001 has been overlooked by the Examiner, and is currently being considered as shown in the attachment.

The applicant had referred to 37 C.F.R. 1.97(c) in the IDS transmittal filed August 22, 2005. However 37 C.F.R. 1.97(c) does not apply in this case because a Final Office Action dated March 10, 2004 has been issued during the prosecution. A proper filing of an IDS under 37 C.F.R. 1.97(c) should comply with the requirements that the IDS should be filed prior to an action that closes prosecution.

The petition filed August 22, 2005 under 37 C.F.R. 1.97 for consideration of an information disclosure statement filed after final rejection has been DENIED since the petition lacks a proper certification as specified in 37 C.F.R. 1.97(d) and 1.97(e). The information disclosure statement has been placed of record in the file but will not be considered by the examiner.
